

Discover the brand new MIG 45 ? model 2024, a modern reinterpretation of the legendary Italian open sport, famous in the 80s and 90s. Inspired by the success of the MIG 38, this yacht marks a new era for the Italian manufacturer.

Designed by Federico Fiorentino, the MIG 45 adopts a walkaround design offering a fluid and optimized outdoor space from front to rear. At anchor, its two extendable side platforms increase the width of the boat by two meters, while a garage under the sunbathing aft allows to store an annex in complete discretion.
