## **OKEAN 55 TAKES NATURE ON BOARD.**

The side and rear doors open fully, forming flaps that integrate exterior and interior, bringing nature into the vessel while you rediscover new landscapes.

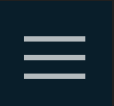

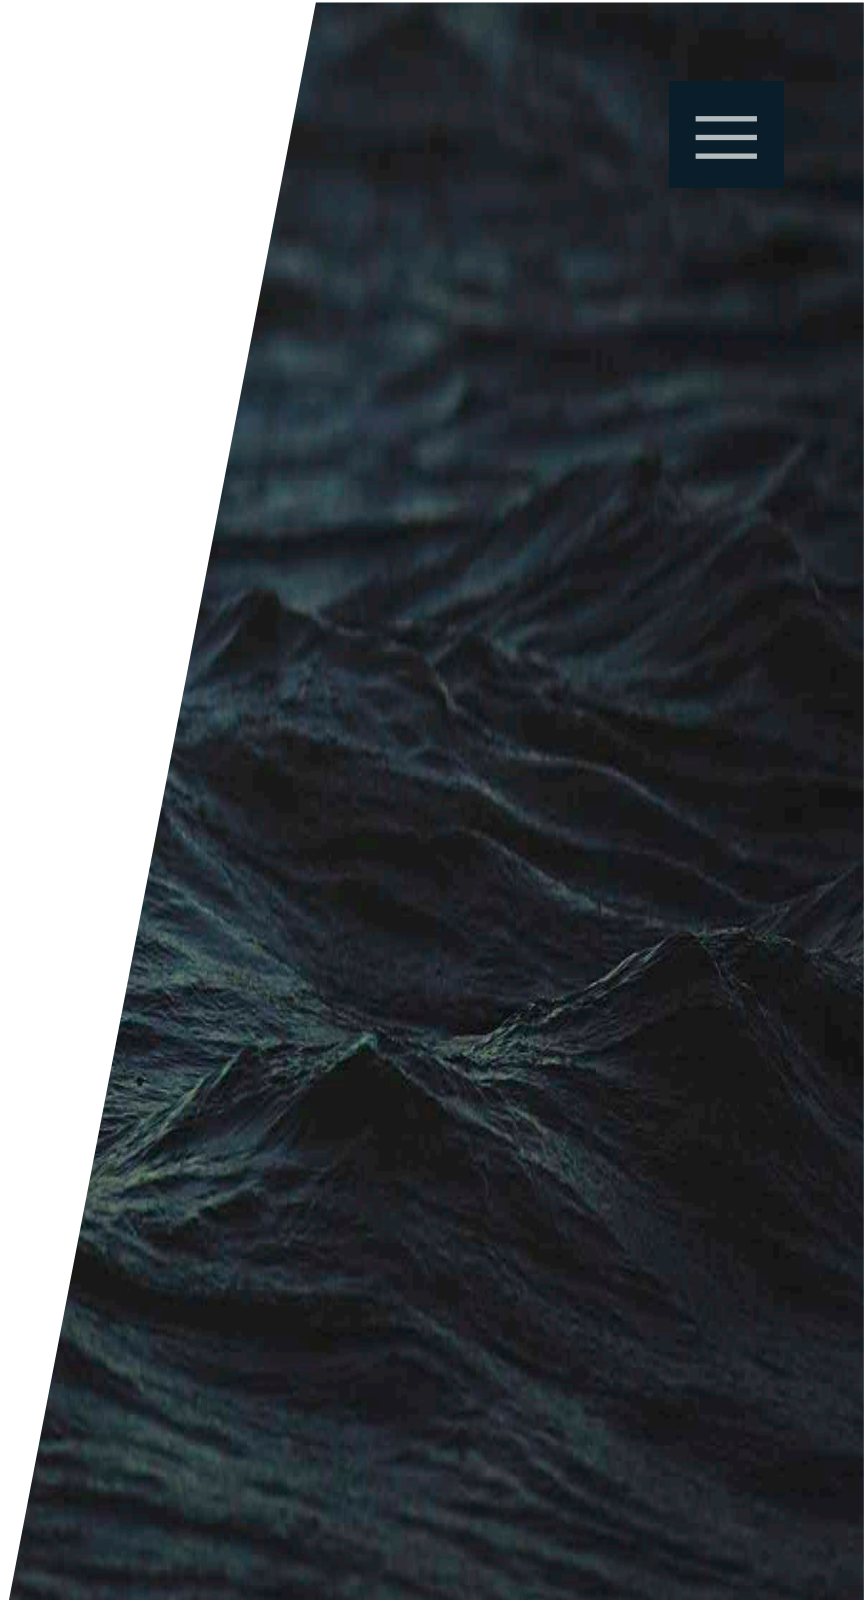

A PREMIUM  
SPACE FOR THOSE  
WHO WANT TO  
MAKE THE SEA  
THEIR HOME.

# DESIGN

The Okean boats are designed by Paolo Ferragni, a Yacht Designer with more than 15 years of experience, who worked in the main foreign shipyards and brings the finest of Italian design in the detail of each finishing.

# HULL

The hull of Okean 55 is a planing hull with an innovative double-V section, called "wshape". This form of hull allows high speeds in total safety and with extreme tightness in tight turns, allowing to limit the loss of speed in turn and making the hull extremely safe and flexible to drive.

# OKEAN

Whoever raises an anchor in an OKEAN leaves some things behind. One of them is the commonplace. Designed by an award-winning Italian yacht designer, the boats bring versatility, technology and a lot of authenticity to the sea. In other words: it's design taken seriously. This new concept to navigate creates a true immersion in nature through 360 vision and side batting. An essentially premium space, for those who want to make the sea their home.
